Privacy & Security

Your data security is our top priority

Data Encryption

All your personal information is encrypted using industry-standard protocols. Your data is secure both in transit and at rest.

Privacy Control

You have complete control over your data. Choose what to share and manage your privacy settings at any time.

Transparent Policies

Clear and comprehensive privacy policies that explain how we handle and protect your data.

Our Commitment to Your Privacy

✓ We never sell your personal data to third parties

Frequently Asked Questions

Everything you need to know about ClusterCart

How does the AI recommendation system work?

Is my personal information secure?

How often are recommendations updated?

Can I purchase products directly through ClusterCart?

How ClusterCart Works

Get personalized recommendations in just a few simple steps

1

Sign Up

Create your account to get started with personalized recommendations

2

Fill Details

Provide your preferences and shopping patterns

3

AI Analysis

Our AI clusters you with similar shoppers

4

Get Recommendations

Receive personalized product suggestions

5

Shop & Save

Buy from your favorite e-commerce platforms

Get Started Now

AI-Based Recommendations

Advanced machine learning algorithms analyze your preferences to suggest products you'll love.

Smart Clustering

K-Means clustering groups users with similar shopping patterns for accurate recommendations.

Easy Integration

Seamlessly connect with popular e-commerce platforms like Amazon and Flipkart.

Data Security

Your personal information is encrypted and protected with industry-standard security.

Real-time Updates

Get instant product recommendations as your preferences evolve over time.

Customizable Experience

Adjust your preferences and fine-tune recommendations to match your needs.

Smart Shopping with AI-Powered Recommendations

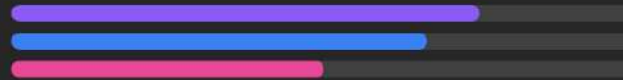

Discover products tailored to your lifestyle with our advanced AI clustering technology. Get personalized recommendations based on your preferences and shopping patterns.
